

# Security Policy

*“ Throughout our activities we must protect our people, stakeholders and property from security risks”*

Chairman OEPEL 2014

**Protect Our People, Stakeholders and Property**

## OUR GOAL IS

**Consistently minimize all security risk to our personnel, stakeholders And property**

**OEPEL personnel must be committed to achieving these goals**

- Managers are responsible and accountable for security matters.
- All OEPEL personnel and contractor personnel must remain vigilant and responsible for their own security and that of others. They must intervene to prevent dangerous and non-compliant conditions.

**To ensure compliance with our Health & Safety Policy we must**

- Have in place a Security Management System in compliance with all regulatory requirements and industry standards.
- Ensure that this system is understood and applied at all level in OEPEL.
- Ensure that all employees and contractors' personnel are competent to undertake their work securely.
- Set annual performance targets supported by action plans.
- Assess the consequences of all our activities and put in place effective controls.
- Maintain current security plans.
- Report and investigate all security incidents and take appropriate measures in order to prevent reoccurrence.
- Perform regular audits of all our activities, using the results to drive performance.
